

Nails by Anna  
MOBILE SPA

# Nails By Anna Mobile Spa is “pinking about you”

and how together, we can make a difference”

**HOW DO I GET INVOLVED:** By hosting a “pink mani-cures” pamper party event or by booking a single “cancer-fighting” mani-cure or pedi-cure service in the comfort of your own home, workplace, school or church so you & your friends don’t need to do the travel! Whether to “support a cancer survivor”, “donate your birthday” or “to get social”, get your girlfriends, co-workers or family together. Challenge the guys in your life to paint their nails pink to support to breast cancer awareness. It’s a fun way for all to help beat breast cancer!

**WHO CAN PARTICIPATE:** *Anyone* - female or male of any age, who choose pink polish or a ribbon designed nail art for their manicure or pedicure service, can support the fight.

## WHERE DO I START:

*The cure to breast cancer is at your finger tips!*
